

## **Kirkham IronTech Named to MSSP Alert's 2024 List of Top 250 MSSPs**

*Eighth annual list reveals leading MSSP, MDR and MSP security companies*

**October 28, 2024, - Fort Smith, AR:** Kirkham IronTech ranks among the Top 250 MSSPs (<https://www.msspalert.com/top-250>) for 2024, according to MSSP Alert, a CyberRisk Alliance resource.

The Top 250 MSSPs for 2024 honorees were announced on October 15 at MSSP Alert Live. The 2024 MSSP Top 250 list reveal marks the first time the list has been unveiled at MSSP Alert's annual live event. Honorees will also be celebrated at an evening party that coincides with MSSP Alert Live.

- The complete list is available here: <https://www.msspalert.com/top-250>
- MSSP Alert will release the full research report that goes with the MSSP 250 list on November 18. We'll discuss the research results during a special webcast, and you can register for that here: <https://www.msspalert.com/webcast/top-250-mssps-for-2024>

### **Kirkham IronTech was ranked among the Top 250 MSSPs for 2024.**

“Being recognized among the Top 250 MSSPs for 2024 is a testament to our team's dedication to securing our clients' success,” said [Tom Kirkham](#), CEO of Kirkham IronTech. “As cyber threats grow, so does our commitment to delivering resilient, proactive cybersecurity solutions. We're honored to stand alongside other leaders in the field, and we'll keep pushing forward to set new standards for managed security.”

“MSSP Alert and CyberRisk Alliance congratulate Kirkham IronTech on this honor,” said Jessica C. Davis, editorial director of MSSP Alert, a CyberRisk Alliance resource. “The Top 250 MSSPs are an elite group of cybersecurity service providers, and they continue to outperform the overall cybersecurity services market. Members of this list are the best of the best.”

MSSP Alert's Top 250 MSSPs list and research report are overseen by Jessica C. Davis, editorial director, MSSP Alert and ChannelE2E.

Kirkham IronTech's vision is to be the most trusted partner for managed IT and cybersecurity solutions, enabling businesses to operate confidently amid ever-evolving cyber threats. Founded in 2000, the company has grown from a small IT support service into a top-tier MSSP, recognized among the elite Top 250 MSSPs for 2024. This honor reflects an unwavering commitment to excellence and a proactive approach to safeguarding clients' digital assets.

The company's journey has been marked by numerous milestones, from pioneering the IronTech Framework—a proprietary methodology for building resilient, secure IT infrastructures—to co-managed services that empower in-house IT teams. Continuous investment in the latest technologies and training ensures the team is prepared to tackle today's sophisticated threats while delivering measurable ROI for clients.

Looking ahead, Kirkham IronTech remains dedicated to pushing boundaries in cybersecurity innovation, striving to set new standards in managed IT services. This commitment drives the company to provide robust, scalable solutions that allow clients to focus on their core business with peace of mind. With 24/7 monitoring and a client-centered approach, Kirkham IronTech supports businesses of all sizes as they navigate the complexities of today's digital landscape.

### **About Kirkham IronTech**

Kirkham IronTech is a U.S.-based managed IT and cybersecurity service provider, now recognized for the third time among the Top 250 MSSPs. Established in 2000, the company delivers resilient IT and cybersecurity solutions designed to secure and empower businesses in an increasingly digital world. This continued placement in the Top 250 MSSPs underscores Kirkham IronTech's commitment to excellence and a proactive approach to client security.

Kirkham IronTech's services encompass a comprehensive range of IT solutions, including both fully managed and co-managed options, tailored to meet the unique needs of businesses with or without an in-house IT team. At the core of these services is the proprietary IronTech Framework, a methodology developed to strengthen IT infrastructure, mitigate risks, and ensure continuous monitoring for swift response. With advanced cybersecurity practices, innovative solutions, and a client-first approach, Kirkham IronTech enables businesses to operate with confidence in today's complex digital environment.
